D.   Brief Project Description _Subject site is currently under construction for Krispy Kreme Doughnuts shop.   Site_
was formerly a service station which was demolished in the 1980s.   Later, it became Regan Recyclers.
During geotechnical work, old petroleum odors were identified on the site.

Type of Assistance Requested _Soil samples collected from the site were analyzed for petroleum hydrocarbons_
(see attached report).   Based on the site's history and lab analytical results, STRSO is requesting a
letter from the VAP stating that the residual concentrations identified do not pose a risk to human
health or the environment, and no further action is required.

I accept the application requirements and project review conditions listed on Page 2 of 2 and I agree to pay all costs associated
with DEH staff time and services within 30 days of receiving an invoice
